

The Royal Australasian
College of Physicians

Gastroenterology Advanced Trainee/ Supervisor session AGW 2017

Gold Coast Convention and Exhibition Centre

The ATC in Gastroenterology would like to invite you to attend a face-to-face Advanced Trainee session at Australian Gastroenterology Week (AGW)

As part of the College's commitment to supporting Advanced Trainees, we will be conducting an information/ Q&A session at AGW, setting aside time for trainees and supervisors to gain valuable information relating to the training program and to ask any questions relating to training. It is also a wonderful chance to meet other trainees and also members of the Advance Trainee Committee (ATC) in Gastroenterology.

The session will be run by Gabi Harding, RACP Education Officer, Dr Jamshid Kalantar, Chair of the ATC, Gastroenterology, Dr Nishmi Gunasingam, Advanced Trainee Representative, ATC.

This year, there will be additional information for any trainees and supervisors who may have questions in regards to the new research project training requirement for trainees new to the gastroenterology advanced training program in 2017.

If you are interested, please contact gastroenterology@racp.edu.au indicating your attendance.

In addition, the RACP Education Officer for Advanced Training in Gastroenterology, Gabi Harding, is available for individual sessions from **13.40 to 14.30pm on the 20th August**. If you would like to book in a session please contact gastroenterology@racp.edu.au with a preferred time.
